

Alumni, students, and friends of Methodist University are invited to make their mark on the MU campus through the purchase of a personalized engraved brick. Your brick will be part of a beautiful plaza that students see every time that they visit Davis Memorial Library.

The library, located on the south end of the campus' central mall, is a beautiful facility with a terraced lawn, perfect for outdoor studying! Home to approximately 124,500 volumes and electronic journals, the library is the place to find just about anything you want to know.

TAKE YOUR PLACE IN METHODIST UNIVERSITY'S HISTORY

"Methodist University gave me many great things, and this is my way of saying thank you."

Antonio Slaydon, Class of 2005

"This is one way I could honor my husband, a faculty member here at Methodist, for the major contribution he has made to the Computer Science Department and to the students."

Gary Hinson, Associate Professor of Computer Science
Peggy Hinson, Professor of Art

A beautifully designed brick area, with the historic Methodist College seal as its centerpiece, is the focal point of the library entrance. Your name, carved in a brick and placed in the plaza, will symbolize the spirit you felt when you were at Methodist—the same spirit still present on the campus today!

What a wonderful way to offer encouragement to students. At the same time, you can honor or pay tribute to someone important to you through your brick's inscription. Alumni may purchase a brick to commemorate their school years, a parent may honor a graduate or future graduate, or alumni may honor a special faculty member. A brick is a permanent means of honoring something or someone special in your life.

Bricks are ideal graduation and birthday gifts and provide a meaningful way to honor or memorialize a friend or relative. Each brick will accommodate 3 lines of engraving and up to 16 characters per line, including spacing and punctuation.

Proceeds from the purchase of bricks support the annual fund, a key revenue source for Methodist's operating budget. Annual fund gifts go to work immediately, helping all students. Because these gifts are unrestricted, they can be used where they are needed most. Annual giving dollars are raised and spent in the same year.
