PHYSICIAN ASSISTANT JOB POSTING

Organization: First Choice Community Health Centers was established in 1979 as a Federally Qualified Health Center. We have grown to include four medical offices and one dental office in Harnett County, North Carolina. We operate two mobile healthcare units that offer medical and dental care through the surrounding communities AND have just recently broken ground on a new 32,000 sq. ft. medical/dental clinic in Lillington, NC - due to open in June 2012.

Our mission is to provide comprehensive primary healthcare services, with excellence and compassion, for the entire community.

Job Summary: The Physician Assistant provides services to the clients at our various health centers. The PA-C works as part of the clinic provider team performing a variety of direct patient services including assessment, diagnosis, implementation of treatment, evaluation, and monitoring the general patient management plan for clinic patients. The Physician Assistant performs these functions in collaboration with a licensed physician.

Education and/or Experience: Graduation from an accredited university and completion of an accredited PA program. Current certification through a professional organization of their specialty is required.

Application Process: Our organization will offer the successful candidate competitive wage and an excellent benefits package. Interested individuals should fax their resume to (910) 893-2567 or e-mail to hr@firstchoicechc.org.
