You must notify the Office of Financial Aid if you receive a non-University award. Non-University awards include all scholarships and grants awarded by agencies other than Financial Aid. Applicants must complete a separate award notification for each Non-University award received. You may photo copy this form as needed.

Reductions may be necessary to your financial aid package. In most cases, work-study and/or loan awards will be reduced first. If necessary, need-based grants will be reduced last.
