ABOUT US

First Choice Community Health Centers was established in 1979 as a non-profit community health center and certified as a Federally Qualified Health Center (FQHC).

OUR MISSION

The mission of FCCHC is to provide comprehensive primary healthcare services, with excellence and compassion, for the entire community.

FCCHC is excited to offer a great benefits package including:

- Medical, Dental, Life, and Vision Insurance
- Retirement plan with company matching
- Continuing Education and Training
- 10 paid holidays throughout the year
- Employees begin accruing paid vacation time the day they start work.

And most important.. A great environment and a chance to make a difference in our community!

We are a caring organization, and treat our employees and patients with respect, dignity, and compassion.
