METHODIST UNIVERSITY'S BOARD OF VISITORS TENNIS TOURNAMENT AND WALKING GOLF TOURNAMENT

Wednesday, Nov. 7, 2018

Methodist University is home to a beautiful 6,200-yard, 18-hole golf course and one of the country's top PGA accredited Golf Management Programs. This is one of the most unique and challenging golf courses in the region. The practice facility at MU was ranked in 2016 by the Golf Range Association of American as one of the "Top 50 Private Ranges" in the country.

MU's Professional Tennis Management Program is one of only four programs in the U.S. accredited by the Professional Tennis Association (PTA). The new courts at the Gene Clayton Tennis Center

were featured in *Tennis Industry Magazine* as a "Distinguished Facility of the Year" and was ranked one of the top nine hard court facilities in the U.S. by American Sports Builders Association.

The Board of Visitors Tournament is the once-a-year opportunity for the public to play these distinguished, private tennis courts and golf course. We invite you to spend the day on our beautiful campus with MU students and experience tournaments like none other in our area.

The field is limited to 54 players for golf and 32 for tennis.

TOURNAMENT SCHEDULES

GOLF SCHEDULE

Each team made up of three players plus one student will play a shamble format. The golf tournament is not your typical captain's choice. All players will tee off. The team chooses the ball in the best position and all players play their own ball in from that spot. Each team will count the one low gross and one low net scores on each hole with players receiving 75 percent of their handicaps. The low gross and low net scores must not be from the same ball. Student caddies will accompany each team. **This is a walking-only tournament, no golf carts.** The recommended maximum handicap is 24.
