

Recruiting Physician Assistant - Internal Medicine (Possible Student Loan Repayment) North Carolina & South Carolina

Growing practice is looking for a Physician Assistant (Internal Medicine) who wants to take the next step in their career serving the rural communities of North & South Carolina. You'll work closely with a Physician and care for geriatrics, digestive diseases, vascular, neurology and oncology patients and more. Together, we will use our brains and hearts to provide the highest level of care to the communities we serve. The chosen candidate will not only be able to work with an organization that has been recognized for excellence by the **National Committee for Quality Assurance** but may also be eligible for relocation assistance and a student loan repayment benefit of **\$10,000 per year for 10 years**, among other perks.

Our Focus. We have been in the industry for nearly **25 years** supporting thousands of patients in rural communities. Our team focuses on the importance of working with our candidates and patients' needs.

You Will be Relied Upon to:

- Showcase your strong, IM background
- Contribute towards improving patient care
- Commit to high standards of care in order to continue a primary care standard of excellence

Job Type: Full-time

- \$72,000 basic starting salary
- Potential to earn up to \$75,000 and above with incentives
- No after hours
- No on call weekends
- Health insurance
- 3 week vacation/CME
- Practice is located just 40 minutes away from both Wilmington, NC and Myrtle Beach, SC.
