

Methodist University has partnered with Nelnet Campus Commerce to offer extended payment plans to assist you with paying for the upcoming Fall 2018 semester. If you are unable to pay your outstanding balance in full by the **August 1st** deadline, enrolling in an automatic payment plan will help spread out the cost of the Fall semester into equal monthly installments. The payments can be automatically charged to your debit/credit card or drafted from your checking or savings account via the Automated Clearing House (ACH). Please note that there will be a 2.75% convenience fee charged if you elect to have your payment made with your debit or credit card. There is no fee for using the ACH option.

The payment plans for the Fall semester will open on **July 9, 2018** with the following options:

1. **Enroll by July 25**
 - a. There is a required down payment of **20%**, with the remaining balance divided into four (4) payments due August through November
2. **Enroll by August 1**
 - a. There is a required down payment of **33%**, with the remaining balance divided in three (3) payments due September through November

A \$40 Non-refundable installment fee will be added to the down payment.

Payments will be drafted on the **5th of every month**. If the 5th falls on a weekend, the payment will be attempted the previous Friday.

Students may elect to create authorized parties to view their financial account and make payments on their behalf. However, only **one** authorized party may be the owner of the payment plan. Students are encouraged to establish authorized parties as those individuals will be provided their own login information without the student having to provide their personal login information to their parent or guardian.

If any changes occur to the student's account (additional aid, fines, etc.), the payment plan will automatically adjust and notification will be sent about the new payment amount.

Fall 2018 billing statements will be mailed the week of **July 9, 2018**. The bills will also be made available via email to the student's Methodist University email account during that time. Students are responsible for checking their Methodist University email daily for important message from the Office of Student Accounts.

Once the payment plan has been established, the student will be cleared for the Fall semester. If for any reason the down payment is returned for non-sufficient funds, the payment plan will be terminated and the student will not have been officially cleared for the Fall semester. Please note that it may take up to 48 business hours for the clearance to be made official.
