

GE Fellows Application

Students can apply to be a Global Fellow Candidate in the Spring semester of their Freshman Year with a GPA of at least 2.5

1. Please provide your contact information:

Name (First and Last):

Email:

Student ID Number :

Year in School (ex. Sophomore):

Best Way to Contact you:

Applicant Summary

2. This is an opportunity to explain why you are applying to the Global Fellows Program and what you would bring if you were to join.

Applicant Summary Questions

3. Briefly describe your background

4. How have you (or would you) demonstrate commitment to bringing about positive global and/or social change?

5. Why are you applying for the Global Fellows Program?

6. What would you bring to the program? Be specific.

Global Experience

7. In this section, please let us know in which countries you have spent or would like to spend a significant amount of time and indicate approximately how much time you spent (or would like to spend) in each country. The first country will likely be the country where you grew up, and any other countries will likely be places that you have lived or worked or would like to work.
