

2018-19 Graduate Academic Catalog Addendum

The OTD Program received its first cohort for academic curriculum Fall 2018. In consideration for anticipated Accreditation Council of Occupational Therapy Education standard changes released in September 2018, for implementation by July 31, 2020, the OTD Program faculty chose a proactive strategy to incorporate required changes prior to the ACOTE initial accreditation onsite visit in 2020. The following curriculum changes have been made and will modify course for the OTD Class of 2021:
