Multi-Safety Awareness Month

CAMPUS
FIRE
SAFETY

September is National Campus Fire Safety Month

Do you know what to do if there is a fire in the building you live in? Do you know what you should do if any building you are in catches on fire? Safety Months are all about education and awareness. Make sure you know what to do and how to get out of the building if there is a fire. Educate yourself on what you can do to keep yourself safe.

(<https://www.nfpa.org/Public-Education/Staying-safe/Safety-in-living-and-entertainment-spaces/Campus-and-dorm-fires>) Interested in attending or coordinating a fire safety class for group? Contact Public Safety at mupublicsafety@methodist.edu

National Campus Safety Awareness Month

Throughout the month of September Public Safety members will be participating in training that covers an array of safety/informational topics to help MUPS provide you with the safest environment possible.

National Campus
Safety Awareness Month

National Preparedness Month

The theme this year is “Prepared Not Scared”. This month is designated “to promote family and community disaster and emergency planning now and throughout the year”. Do you have a plan? Do you know what the University’s plan is or what you need to do to protect yourself during an emergency situation? Follow this link to help educate yourself for a lifetime, <https://www.ready.gov/september>.
