Non-University Award Notification-Graduate Students 2020-2021

Student’s Full Name: ___________________________________________ Student # ____________

You must notify the Office of Financial Aid if you receive a non-University award. Non-University awards include all scholarships, grants, and/or loans awarded by agencies other than Methodist University Financial Aid. They include National Merit or National Achievement Scholarships, ROTC scholarships, and any scholarships awarded by churches, high schools, businesses, civic organizations, forgivable loans, etc.

Applicants must complete a separate award notification for each Non-University award received. You may photocopy this form as needed.

Reductions may be necessary to your financial aid package. In most cases, loans will be reduced first. If necessary, need-based grants will be reduced last. Federal regulations prohibit students receiving aid from any source that exceeds their financial need and/or cost of attendance.
