

# Project Expansion for New Green and Gold Locker Room

Diego Ramiro, Noah Atkinson, Terence Williams, Ty'uan Wiley  
Advisor: Dr. Denise H. Bauer

## Problem:

The football green and gold locker room lacks proper usage of space. Also, the Design of the Locker room needs to be renovated.

## Constraints:

- Money/ funding
- Space Available
- Time Available

## Survey Results:

- 90% of the football students wanted bigger lockers and more suitable space
- 65% wanted phone chargers
- 50% wanted locker locks

## Ideal Design:

Renovate locker room size and space available, more advance technology such as speaker, TV, lounge with a game room

## Design:

1. Convert out of date to Division 1 style locker room
2. Nutrition and fruit bar
3. Convert metal lockers to comfortable seating arrangement
