

Project Expansion for New Gathering and Study Spaces

Brianna Smith, Christian Chavula, Jalen Rushin, Na-Ubangiji Ali Dawood
Advisor: Dr. Denise H. Bauer

Problem:

Need for more study and gathering spaces due to ongoing social distancing protocols.

Constraints:

- Money/ funding
- Refurnishing (replacing current furniture)
- Space Available
- Time Available

Current Gathering Spaces:

- Residence Halls
 - Lobbies
 - Basements
- Classroom Buildings
 - Hendricks
 - Allison Keith
- Library
- Cafeteria

Initial Solutions:

- Addition on Hendricks
- Renovate a living space in each resident hall - change it to a study room
- Start using basements in residence halls – set up group study areas, possibly computers
- Game Room in North Hall

Final Design:

Renovate living spaces in each residence hall to study rooms

Design:

1. Convert one room on each floor
2. Online reservations for use
3. Furniture to convert to study rooms
