

MY CAREER ADVANCEMENT ACCOUNT(MYCAA) SCHOLARSHIP

The My Career Advancement Account Scholarship is a workforce development program that provides up to \$4,000 of tuition assistance to eligible military spouses. The scholarship assists military spouses in pursuing licenses, certifications, or associate degrees necessary to gain employment in an occupation or career field. Spouses of service members on active duty in pay grades of E-1 to E-5, W-1 to W-2 and O-1 to O-2 are eligible to participate in the program.

MILITARY TRANSFER CREDITS

Methodist University awards college course credits based on service members' Military Occupational Specialty (MOS) and military education and training. All credit granted for military training is given based on the American Council on Education (ACE) guide recommendations and documented on the Joint Service Transcript (JST). Awarding of transfer credits for military education reduces the number of classes needed to earn a degree and saves time and money. Visit the Fort Bragg office for a free evaluation.

THE GREEN TO GOLD (G2G) SCHOLARSHIP PROGRAM

The Army ROTC Green to Gold (Active Duty Option) Scholarship Program provides eligible enlisted soldiers an opportunity to complete their first baccalaureate degree or their first master's degree and receive a commission as a second lieutenant.

Information briefs are held weekly at the Bragg Training and Education Center.

If you are interested in applying for the G2G Program and attending Methodist University ROTC, please contact our office.
