

MU GREEN SCREEN

Daily Health Check-in

Download Instructions for iPhone and Android

1. Visit the App store (*iPhone*) or Google Play (*Android*) and search for “MU Green Screen” or scan the QR code in the upper right corner of this document.
2. Confirm that you have located the correct app. (*You should see the MU Lion image above.*)
3. Download and open the **MU Green Screen App**.
4. Create a profile. (*Some platforms will generate an email or text to verify your profile*)
NOTE: You will only create the profile information ONE TIME after which, your profile information will auto-fill into the health screen form each day. Personal information is secure within the Methodist University system and is not shared with third parties. (If you need to update your profile or add more information)
 - for “address,” please use your HOME address and zip code
 - tap the three bars in the right upper corner of the screen (**circled in RED** below)
 - tap profile picture icon
 - you will be directed to the “My Profile” screen
5. After verifying your profile, the App will automatically proceed to the screen image below:

← Click here to acknowledge the STAY SAFE pledge (**Required only once**, not daily – select the “back” arrow at the top of the screen after signing to return to the main screen)

← Tap the “Click Here” **DAILY** button that corresponds to your category (student, faculty or staff) and complete the Health Check-in.

← Need more information about MU’s COVID-19 response? Tap the Forward Together image.

6. When the daily health screen is complete, the following screen will display:

Thank you.
We've received your
response.
