

Music Scholarship Recommendation Form

I am choosing to recommend the following student for a Music Scholarship at Methodist University.

Name of Student _____

Your Name and Title _____

Music scholarships are highly competitive, performance/service-based awards only offered to students of exceptional ability and character. These scholarships may be awarded to deserving vocal or instrumental students for a total of 4 years. Recipients will be evaluated yearly to determine eligibility for renewal.

In what capacity and how long have you known this student?

In your opinion, what specifically qualifies this student for a Music Scholarship at Methodist University?

Part of earning a scholarship requires the student to be involved in high-profile musical activities both on and off campus. They must be active performers in the local community. Please explain why this student would excel in this area for us.

**If you have any reservations about this student's qualifications, either academically or musically, please list and explain on the other side of this sheet or on a separate page.*
