METHODIST UNIVERSITY ONLINE DESIGNED TO MEET YOUR NEEDS

Methodist University is located just a few miles from Fort Liberty, and several MU faculty served (or are still serving) their country proudly in the military. There is no private, liberal arts, top-tier university in the U.S. more connected and understanding of the wants and needs of active-service military, veterans and their families. MU offers 100 percent online degrees that result in personal and career advancement. Students may also be eligible for financial aid.

WHY CHOOSE METHODIST?

100% ONLINE COURSEWORK

With fully online programs, you can study anytime and anywhere. MU's eight-week terms (with part- and full-time options) are in an asynchronous environment — which means you won't have to log in at certain times to learn or complete your assignments — you can advance your education in the most flexible way possible.

PERSONAL AND CAREER ADVANCEMENT

The value of a degree is seen in the outcome, and over and over an MU degree is proven extremely valuable. Not just any degree will do and that's why MU graduates are in high demand. Be sure to ask about the MU Match and other financial aid to get on the fast-track to success.

ACADEMIC SUPPORT SERVICES

Get the personalized assistance you need to thrive. You'll be able to access, for example, the tutoring and writing centers to receive feedback on your work. Those combined with other opportunities allow you to get the most out of your studies.

A REPUTATION FOR EXCELLENCE

Methodist's expert faculty and staff work and live among our military students on a daily basis. It's a community at home and online that has succeeded as one. Annually receiving national honors as a "Military Friendly" (Gold) university, a "Best for Vets" college and a "Yellow Ribbon" school, MU's reputation with military students is strong because its graduates represent that excellence.
