

Looking for a new career in a high-growth field?

Methodist University is partnering with Google to award 500 in-demand career certificates for free!

100% Online
Learn at your own pace
No experience necessary

Google and Methodist University have partnered to provide free access to Google's Professional Certificates on the Coursera platform. This initiative creates an opportunity for Methodist University to provide world-class, industry-recognized skills training that can help you prepare for in-demand jobs.

Certificates are non-credit courses at Methodist University.

Free career certificates are available for a limited time.

Why earn a career certificate?

- ◆ A path to in-demand jobs
- ◆ Stand out to employers
- ◆ Learn job-ready skills you can put to work

Google UX Design Certificate

\$92k+ Median Salary*

UX designers make technology easier and more enjoyable for people to use. They design products and tools that are more useful and accessible for users.

Google Data Analytics Certificate

\$74K+ Median Salary*

Data analysts prepare, process, and analyze data to help inform business decisions. They create visualizations to share their findings with stakeholders and provide recommendations driven by data.

Google Project Management Certificate

\$73k+ Median Salary*

Whether at a small company or a large enterprise organization, project managers are responsible for planning, organizing, and running projects so they can be delivered on time and on budget.

Google IT Support Certificate

\$52k+ Median Salary*

In both small businesses and large organizations, IT support involves troubleshooting and problem solving to help computers and networks run smoothly, while providing great customer service along the way.

Google IT Automation with Python

\$91k+ Median Salary*

This program builds on your IT foundations. Learn to program with Python and how to automate common system administration tasks. Also, learn to use Git and GitHub, troubleshoot and debug complex problems, and apply automation at scale by using configuration management and the Cloud.

Google Digital Marketing & E-Commerce Certificate

\$51k+ Median Salary*

Graduates learn the fundamentals to help businesses grow their online presence and sales with hands-on practice using popular digital marketing and e-commerce tools.

*All salaries are reported by Google. Salary information can be found through grow.google/certificates.com
