

2026-2027 Verification Worksheet V4

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at Methodist University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, submit the form, and other required documents to Office of Financial Aid. The financial aid administrator may ask for additional information. If you have questions about verification, contact Office of Financial Aid as soon as possible so that your financial aid will not be delayed.
